

Hello! I'm Charlene Brett, and I am thrilled to be teaching at St. Joseph's

Catholic School! I started my wonderful musical adventure at St. Joseph's the end of February 2011, and I am looking forward to the exciting journey ahead in the music room.

I graduated with a B.A. in Music Education from the University of Montana and have taught music in the public school system over several years with either a full time job or as a long term substitute teacher. I also hold a real estate license and have worked in the real estate industry for 12 years. I am a member of the Treasure State Orff group, have earned a Level II accomplishment as a Professional Ski Instructor of America, and have directed the church choir at Florence Carlton Community Church for over 12 years.

During the precious summer months, my husband Steve, myself, and my 3 children, Abby, Craig and Tyler, spend our weekends exploring Montana. We enjoy tent camping, crystal hunting, fossil searching, fishing, swimming, hiking and learning about nature. When winter rolls around, we are active skiers and are on the slopes at Lost Trail Ski Area most every weekend.

My prayer of a full time teaching job was answered when God placed me in St. Joseph's Catholic School. It is truly a blessing to be working with such a wonderful staff and incredible students. I look forward to many wonderful years in this community.
