

Lindsay DePuydt is excited to be in her fifth year at St. Joe's. She was an aide for Mrs. Naylor's third grade for a year and is in her fourth year as a second grade teacher.

Lindsay graduated from Carroll College in 2003. She majored in Elementary Education and minored in Remedial Reading. She worked as a respite and habilitation provider for children with disabilities and as a substitute teacher in the Missoula area before coming to St. Joe's. In addition to teaching, Lindsay is working towards a Master's degree in Elementary Reading and Mathematics. She is excited to graduate in August!

Lindsay spends her free time with her family and friends. She has two wonderful nephews and a niece - all of whom she loves to spoil. She loves going to her family cabin, floating the rivers, watching movies, and reading books.

Quote: "I love having the opportunity to teach at St. Joe's. The enthusiasm of the students is inspiring. I have been given a huge, welcoming, positive extended family to be a member of. St. Joe's is a great place to be every day."
